Established in 2000 by Harry Smith and Harriet Jones, Harry and Harriet's Hang-gliding Haven emerged as a sanctuary for enthusiasts of the exhilarating sport of hang-gliding. Born out of a shared passion for flight and adventure, the company began its journey in a modest garage, where Harry and Harriet meticulously repaired hang-gliders and imparted their knowledge to eager learners within their local community.

Driven by their vision to promote hang-gliding as not just a hobby but a way of life, Harry and Harriet gradually expanded their offerings.
